

FREQUENTLY ASKED QUESTIONS

About Infrastructure Connection Process

1 Question: How long will it take to perform this test?

1 Answer: One week to several months, depending on your software and X12 support.

2 Question: Where do I get an application?

2 Answer: Click on CAQ Client Application Questionnaire. This is an interactive form. Answer all the questions and click on submit. It is advised that you go through the form and see what data you will need to have prior to completing the CAQ for submission. The CAQ is set for all questions to be answered and where reasonable most fields are edited and will not accept out of bounds answers. When all the answers are within bounds the submit button will work.

3 Question:

3 Answer:
